

Provider Access Policy

In line with the 2018 Statutory Guidance for Careers Guidance and Access for providers, we welcome visits from Higher Education, Training providers, FE Institutions and Employers to ensure students are aware of the wide range of progression routes available after Sixth Form.

Under the current Covid-19 restrictions visits to site may not be possible but we welcome any virtual opportunities for our students and look forward to welcoming visitors back as soon as local and national arrangements allow. *September 2020*

Local providers are invited to the following events:

- Careers and progression events
- Parents Evening exhibitions
- UCAS and Higher Education events

Providers are also invited to contribute to other careers events such as targeted HE workshops, apprenticeship talks, and curriculum specific activities. Appropriate classroom or assembly space is made available for providers (*please see Covid restriction notice above*). Group visits are arranged to local colleges, universities and training providers to attend outreach events, for example, the Hallam 8 and University of Sheffield outreach programmes, partnership visits to local colleges and universities. All Curriculum Areas make links with local businesses and arrange visits, guest speakers, mock interviews and live projects.

Information about local providers is displayed in the Academic Tutorial base (F28), with material for students to take away. The Sixth Form recruits students to the Apprenticeship Skills and Knowledge programme to support students who do not wish to progress to university.

We participate fully in external initiatives which support our aims for Careers Education, for example HEPPSY, Career Ready, partnership with Sheffield Business Together, etc.

If you wish to arrange a visit or find out more about how you could help our young people determine their future career, please contact Tania Hussey-Yeo on 0114 2625757.

Evaluation and Review

- Careers Education and Guidance at Longley Park Sixth Form is evaluated in a number of ways:
- Student evaluations after an activity
 - HEPPSY survey taken annually to review impact of activities
 - Quality Assurance and Learning Walks

- Employer / Provider feedback following Enrichment Days
 - Policy review
 - Destinations information
- Student voice
