

Cedar Portal access at Longley Park Sixth Form

Please follow the link to create your account

<https://cedar.longleypark.ac.uk/auth/account/create>

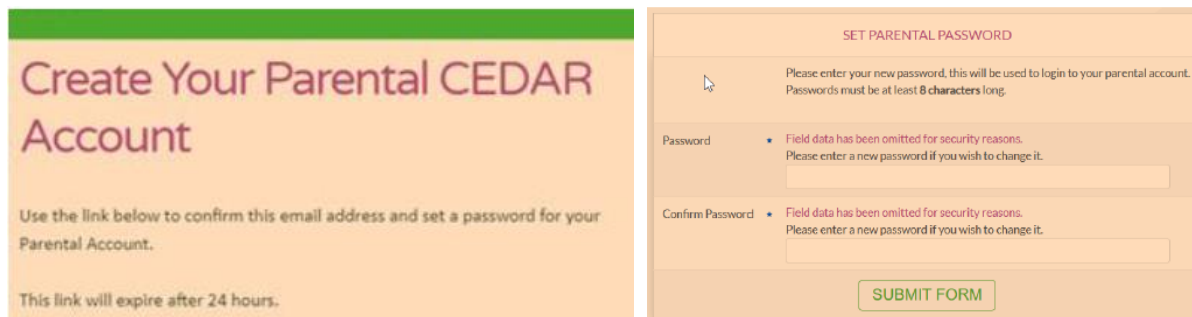

The screenshot shows a form titled "CREATE PARENTAL ACCOUNT". It contains two input fields: "Parental Email" and "Student Reference", each with a small blue asterisk to its left. Below the fields is a green button labeled "SUBMIT FORM".

This will verify your email address against your son or daughter's details if we have a record of your email address

You will then receive an email with a link to finish setting up the account, it should take about 10 minutes to come through, but check junk mail folders also.

You need to act on the link in 24 hours otherwise it will expire.

The first screenshot on the left is a confirmation email with a green header and orange background. It says "Create Your Parental CEDAR Account" and "Use the link below to confirm this email address and set a password for your Parental Account." It also notes "This link will expire after 24 hours." The second screenshot on the right is a "SET PARENTAL PASSWORD" form with an orange background. It includes instructions: "Please enter your new password, this will be used to login to your parental account. Passwords must be at least 8 characters long." There are two input fields: "Password" and "Confirm Password". Both fields have a red error message: "Field data has been omitted for security reasons. Please enter a new password if you wish to change it." A green "SUBMIT FORM" button is at the bottom.

Once you have created a password please close your browser completely.

Open a new browser and navigate to <https://cedar.longleypark.ac.uk/> enter you username (your email address) and the password you created and you should be able to log on.

If you are having difficulties accessing CEDAR please contact the Sixth Form on or email cedarsupport@longleypark.ac.uk
