

# 2022-2023 Spring Examinations Newsletter

March 2023

Criminology resit assessments, LIBF exams and Level 2 and Level 3 Trial exams are taking place in March 2023. Students should know if they have been entered for these exams and should check Cedar, under 'Exam Timetable', this will show students what exams they have been entered for. Room and Seat numbers will be available on this page nearer the dates of the exams. **Students should check this and report any errors to their subject teacher, or a member of the Examinations Team (S37) - Tel. 0114 262 5724 / 5770.**

Parents can access the exam timetable by logging onto the 6<sup>th</sup> Form CEDAR system. If you need help accessing CEDAR email [cedarsupport@longleypark.ac.uk](mailto:cedarsupport@longleypark.ac.uk)

**Email and text messaging are the preferred mode of contact with students, so it is important that students check their emails regularly. If students change their mobile phone number, they must inform the 6<sup>th</sup> Form immediately.**

## Exam Regulations

The 6<sup>th</sup> Form must implement a very precise set of requirements in all exams. The 6<sup>th</sup> Form can be inspected by the Joint Council for Qualifications (JCQ) at any time throughout an exams series, to ensure that the 6<sup>th</sup> Form is setting the expected standards. Therefore, students **must** familiarise themselves with the required JCQ documents before their first exam, these can be found on the website here - [Revision + Exams - Longley Park Sixth Form](#)

## Attendance At The Exams

Punctuality is important. Exams start at **9.00am or 1.30pm** (unless stated otherwise). **Students must arrive at least 15 minutes prior to this time.** Students not in their seats at the official start time will be marked as late and may not get the missed time for their exam. Students arriving over 30 minutes after the start time of the exam will not be allowed into the exam. Once the exam is over all students must go immediately to their next lesson.

All students must bring their student card with them for all exams; invigilation staff do not regularly see these students so cannot identify them in an examination room.

## Equipment

It is a student's responsibility to ensure that they have all they will need for their exams, i.e. Black Pens, Pencils, Ruler, Rubber, Sharpener, Calculator, etc in a clear pencil case/bag.

Where the use of a calculator is required, all students should have been given a security sticker by their subject teacher to confirm that their calculator meets the JCQ regulations. If students do not have a sticker, the calculator will be confiscated. Water is allowed in the exam but must be in a transparent bottle, with all labels removed.

## Mobile Phones, Watches and Other Electronic Devices

Possession of unauthorised items, such as a mobile phone or any watch, is a serious offence and could result in

**DISQUALIFICATION**

Mobile phones, watches (of any kind) and any other electronic devices will not be allowed in the examination room, this also includes headphones. Anyone found in the possession of these items during the examination, whether they intended to use it or not, will be reported to the Examination Board and may be disqualified from that examination. Secure cages are available for students to lock away any personal items. Students may be asked to empty their pockets if an Invigilator suspects a student of having unauthorised material on their person.

Only headwear worn for religious and medical reasons can be left on during the exam, if we suspect a student of wearing headphones, we may ask to check under the headwear, this can be conducted in private (by a female member of staff if required) to ensure headphones are removed. **Sports caps and woolly hats etc. will not be allowed.** Refusal to observe staff requests may result in a student not being allowed into the examination room and could constitute malpractice which could be reported to the examining board.

**Illness**

Students should make every attempt to attend an exam, however if a student is too unwell to attend, they should report this in the usual way to the 6<sup>th</sup> Form.

**Timetabled Examinations during Bad Weather / Other Adverse Conditions**

The 6<sup>th</sup> Form always operates on the basis that it will OPEN unless overnight weather / other conditions are so extreme that there would be significant risk to students and staff getting here. If, a decision not to open is made, information will be released as early as possible on the relevant morning. The 6<sup>th</sup> Form website is the best source for up-to-date information regarding closure, and text messages are sent to students.

**Thank you and good luck in your exams.**
